Ms. Cathy's class:

2- Plastic pocket folders with brads

- Red- Social Studies
- Purple- Science

2- Jumbo size stretchable book covers (MANDATORY BY SCHOOL)

1- Ruler with inches and centimeters

1- 1 inch 3 ring binder

1- Wide ruled notebook paper

1 set- 5 tab dividers

1- 3 ring pencil pouch (should fit in 3 ring binder)

1- Large eraser

Mrs. Erin's class:

5 highlighters- any color

1- 1 inch 3 ring binder

2- 3 ring pencil pouch (should fit in 3 ring binder)

1 set- 5 tab dividers

- Reading
- Writing
- English
- Spelling
- Vocabulary

1- Wide ruled notebook paper

1- Orange plastic pocket folder- labeled "Graded Papers"

3 packs- ruled 3"x 5" white index cards

Clipboard

Art Supplies:

6- #2 yellow pencils with erasers (Ticonderoga brand is preferred)

*NO MECHANICAL PENCILS WILL BE ALLOWED!

1- 10 count box Crayola Classic Color Markers- Broad Tip

1- 10 count box Crayola Classic Color Markers- Fine Line Tip

1- 24 count box regular Crayola crayons

1- 12 count box Crayola colored pencils

1- 8 inch Fiskar brand scissors

2- Soft erasers (Preferably white- not hard pink)

1- 8 count oval Prang watercolors set (regular colors- NO GLITTER)

3- Glue sticks

1- 8 oz. bottle Elmer's School Glue

1- Clear plastic 6 quart rectangular box (Must fit ALL art supplies)

Dear Parents or Guardians,

Students who just completed 4th grade are being asked to complete the accompanying reading and mathematics packet over the summer. The problems in the review packet have been chosen to reinforce both reading and math concepts/skills learned and practiced this year. Completing this packet will help students to be better prepared for 5th grade in the fall.

Reading Log:

You need to read for 20 minutes, four days a week. You need to have 20 entries on your reading log. When choosing your reading material, try a variety of genres in fiction and nonfiction. You could read newspaper articles, magazines, plays, poetry, adventure, mystery, biography, and so much more! Try to read from as many print sources as you can with just a little bit of online reading.

Math:

To achieve the intended purpose of the packet, students should not try to complete the packet in one day. Instead, students should work according to the schedule within the packet, allowing students to gradually review skills learned in 4th grade. Located at the end of the packet are pages of math fact review. We highly recommend that you also study your multiplication facts at least three times a week. You absolutely must know them for 5th grade! Please note that for some problems in the packet, students will be asked to show their work and turn in that work on extra pages as necessary.

Thank you in advance for your support of our children's continued learning over the summer months. Working together, we can help our students reach their goal of becoming successful students. In just a few months, you will be entering the fifth grade, and you will be asked to recall many of the skills you learned during your fourth grade year. It can be easy to forget these things if you haven't been practicing them for several months. In order to keep up with all that we have learned, we need to continue exercising our minds.

Reading Recommendations

Here are just a few recommendations on chapter books for you to read over the summer. If you want to know the level of any book, type the title into AR bookfinder- (link below). You can try reading some books at your level, some easy independent reading, or something to challenge yourself over the summer. If you know an author that you like, you can look up other books by that author.

Book Report Choice Board

All book reports must include a one-page summary of the book. Your book report must include enough details to showcase your knowledge of the book.

Imagine the book is being made into a movie. Create and perform a **MOVIE TRAILER**. Must include a written script.

Make a **COLLAGE** with a mix of images and text. Must represent knowledge of characters, setting, and plot.

Design a **COMIC STRIP** illustrating a major scene in the book. Must be neat and colorful.

Write a **TEST** with at least 25 questions. Must include Answer Key and a variety of question types.

Make a **DIORAMA** that depicts a major scene in the book. Must include characters, setting, and plot.

Create a **FOOD** related to your story and bring it in for the class to share. Must be representative of the book.

Make a new **BOOK JACKET** for your book. Look in your local library for design inspiration.

Write a **REVIEW** of the book. Explain your favorite and least favorite parts of the plot, characters, ending, etc...

Conduct a fictional **INTERVIEW** with a main character. Ask questions related to the storyline.

Book Summary

One paragraph summary of the book: _____

Main Characters:

Description:

_____	_____
_____	_____
_____	_____

Setting: _____

Moral: _____

Directions: Highlight every grammar and spelling mistake you can find in the paragraphs below. Then rewrite the paragraph correctly on a separate page.

Editing Checklist

- Does every sentence start with a capital letter?
- Do names of people, places, and other specifics begin with a capital letter?
- Did you use apostrophes to show someone owns something?
- Are there commas placed in the right locations?
- Does each sentence end with the correct punctuation mark?
- Are there any spelling errors?
- Is the correct word used each time? (ex. to, too, two?)
- Other grammar errors?

I: Queen of the Garden

Total mistakes to find: 10

Did you know there are over 40 different types of tomatoes. Tomatoes is one of the most home-grown vegetables for gardeners. you can grow them in the ground or in a container. They come in a variety of colors and sizes. Tomatoes can be round and red, or small and yellow. In order for them to grow well, they need lots of sunlight. This popular vegetable, sometimes considered a fruit, also needs plenty of water in order to grow? Wonce you grow tomatoes, you can use them in so many recipes like spaghetti sauce, tacos, and salads. That is why they are given the title: queen of the garden.

2: Queen of the Garden Part 2

Total mistakes to find: 10

Do you like tomatoes. Maybe you should try one fresh from the garden. The best way to get great tasting tomatoes is to start with fresh soil. The dirt that tomatoes grow in can lead two the freshest tomatoes in the world! This is the advantage of growing your own at home. you can control the ingredients added to the soil and leafs of the plant. If you really want delicious vegetables add earthworms to your garden! These hard-working creatures make you're tomatoes the true Queen of the garden.

Friday	 <p>You are about $\frac{1}{2}$ finished with the packet! Take the day off and enjoy your day.</p> 								

Our Favorite Sport

Sport	Number of Children Who Play
Soccer	
Football	
Baseball	
Basketball	
Hockey	
Volleyball	

Monday

How many children play a sport? (Be sure to look at the key) _____

Which sport is least popular?

Which sport is most popular?

How many children like soccer best?

Key: Each ball = 5 children

Which two sports are equally popular? _____ and _____

How many children like baseball best? _____

How many children like football and basketball in all? _____

Tuesday

Give the next 6 multiples for the following numbers:

Ex: 6, 12, 18, 24, 30, 36, 42

3, _____

4, _____

7, _____

5, _____

15, _____

8, _____

12, _____

20, _____

11, _____

Monday	Add the fractions: (Ex: $3/5 + 1/10$ or $6/10 + 1/10 = 7/10$)			
	$1/8 + 1/4 =$ _____	$4/5 + 1/10 =$ _____	$3/4 + 1/5 =$ _____	
	$2/3 + 3/5 =$ _____	$1/6 + 1/3 =$ _____	$2/9 + 1/3 =$ _____	
	$1/2 + 5/8 =$ _____	$4/5 + 2/7 =$ _____		
Tuesday	Subtract the fractions: (Ex: $1/2 - 3/8$ or $4/8 - 3/8 = 1/8$)			
	$3/4 - 1/8 =$ _____	$1/5 - 3/4 =$ _____	$4/8 - 1/4 =$ _____	
	$2/3 - 3/6 =$ _____	$2/3 - 2/5 =$ _____	$3/4 - 1/8 =$ _____	
	$5/6 - 1/3 =$ _____	$5/9 - 2/3 =$ _____		
Wednesday	Simplify: (You can find the greatest common factor and then divide by that number)			
	$3/6 =$ _____	$5/25 =$ _____	$4/12 =$ _____	$8/10 =$ _____
	$7/35 =$ _____	$3/15 =$ _____	$4/32 =$ _____	$12/48 =$ _____
Thursday		Go to www.multiplication.com and play some games to practice your multiplication facts. Parent Signature: _____		
Friday	Multiply: (No calculators. Please show work)			
	$\begin{array}{r} 3,678 \\ \times 24 \\ \hline \end{array}$	$\begin{array}{r} 2,452 \\ \times 85 \\ \hline \end{array}$	$\begin{array}{r} 19,450 \\ \times 39 \\ \hline \end{array}$	$\begin{array}{r} 12,407 \\ \times 72 \\ \hline \end{array}$
